

2004 F-150 Overlay Billet Grille Installation Instructions/ With Logo

Step 1: Remove the grille shell from the vehicle. Save and set aside all hardware you will need them to re-install the grille shell.

Step 2: From the backside of the billet grille secure the six fully threaded studs through the tabs.

Step 3: Next load the billet grille onto the front side of the grille shell. Be sure that the studs go through the honey comb grille. Next secure the six powder coated brackets onto the backside of the grille shell. Center the billet grille into the opening, be sure that there is even space around the Ford Logo and tighten down using the K-lock nuts.

Step 4: Re-install the grille shell and the billet insert back onto the vehicle using the hardware taken from step 1.

Installation Is Now Complete!!!!

Hardware Kit: (6) Powder coated brackets (6) Fully threaded studs
(6) K-lock nuts
